

WEVD Outdoor Courts

August 30th Committee Meeting

Attendees

Community Center: Dave Rose, Dave Spinney

Remote via Zoom: Dick Mayo, Dave Ketcham

Meeting Started at 7:04pm - quorum not present at location. Meeting is working meeting only.

Agenda

• Admin

- **August 2 meeting minutes** - no updates, deferred due to lack of quorum
- **CIF Funding** - the \$65k was formally accepted by the Commissioners.

• **Basketball Court Update** - the new court and handicap parking layout has been staked out and awaiting paving. The court will be a couple feet shorter than planned due to size of area and expanse of new retaining wall. Dave S states that paving is targeted in a couple weeks, when the dumpster driveway is paved.

- **Mega Slam footing** - brief discussion on install. It will be done after paving to insure proper alignment

• **Racket Courts Update**

- **VT Rec status** - Dave K states he is in touch with VT Rec regarding schedule and asphalt pricing, but has not received updated information as of yet.
- **Backboard removal** - The plan was for staff and volunteers to remove the upper backboard, prior to fence demolition. Dave S said he will check with Ron (GM) on getting it down.
- **Tree Clearing schedule** - The request to Green Circle owners to remove trees in Green Circle common land was declined 4 to 4. Maureen Patti, BOC Chair, is planning to send a letter to Green Circle owners stating conditions of liability. The plan is for Top Notch to begin clearing the week after Labor Day, once the fencing is down.

• **Volleyball Court**

- **Backstop install** - still pending, but will get done.

• **Open Topics**

- Dave Rose reviewed his findings regarding the buffer trees. He received a quote of \$1400 for 10 trees in the 5-7 foot range. This will be on hold due to decision of Green Circle not to remove trees in common land within 20 feet of court, as permission was denied, and the trees would need to compete with larger trees and likely not survive.

• **Meeting Schedule**

- **Next Scheduled Meeting: Tuesday September 27, 2022**

Meeting Adjourned at 7:34 pm
